THIS contains a List of the late and present House of Commons, shewing the Changes made in the Members of Parliament by the General Election in 1796. And it is farther improved with the Additions of the Date when each City and Borough first sent Representatives to Parliament, the Right of Election in each Place, and the supposed Number of Electors. Where the Right of Election had been ascertained by a Resolution of the House of Commons the Date of that Resolution is given. Where there is no Date to the Right of Election, there has been no Resolution of the House upon it; and the Custom, which is given, is still adhered to. The supposed Number of Electors follow.

EXPLANATION.

ABINGDON first sent Representatives to Parliament in the 4th Year of the Reign of Philip and Mary. The Right of Election is in the Inhabitants not receiving Alms, or any Charity, by a Resolution of the House of Commons of the 18th of January, 1708. The supposed Number of Voters is 600.
